

Frequently Asked Questions

If I am a church or non-profit organization, do I need to have a Stanton RAGBRAI vendor permit?

Yes. Your church or group will be listed in the tabloid that all bikers receive.

Do I need to have liability insurance if I am a vendor?

Yes. You will not be approved as a vendor if you have not submitted a copy of your insurance to the Stanton RAGBRAI vendor committee.

How will I know if I need a state temporary food license?

What you sell will determine if this is necessary or not. If in doubt, please call the Western Iowa Regional Inspections at 712-755-2609. They will be able to answer any of your questions or concerns.

If I am an individual wanting to set up a food vendor stand in my yard, do I need to have a Stanton RAGBRAI vendor permit?

Yes. Your food stand will be listed in the tabloid that all bikers receive.

If I am a local restaurant or alcohol establishment, will I have to have a Stanton RAGBRAI vendor permit?

The Committee can not make you have a Stanton RAGBRAI permit. However, if you do not have one, you will not be listed in the official tabloid that bikers will receive. If you choose to set up vending outside of your business (example- on the sidewalk) you would have to have a Stanton RAGBRAI vendor permit. We strongly encourage you to support the event and have a permit to help with the City and Committees expenses.

Do I have to submit my payment to Stanton RAGBRAI when I submit my application to be a vendor?

Yes. Your check will be held until you are approved as a vendor. If you are not approved as a vendor your check will be returned to you.

Why do I have to pay a vendor fee to Stanton RAGBRAI Committee?

The vendor fees and sales of t-shirts will help cover the costs from the event, examples are porta potties, dumpsters rental, marketing/signage, etc. Our goal is to break even for the event, however if we have any money left over, it will be used for Main Street Beautification, such as new Christmas lights, flowers, paint, etc.
