

Stanton Community Foundation

What a difference a year makes! Thanks to your generous donations, the Stanton Community Foundation continues to be a partner in many Stanton Community projects. Your donation provided funds and matches for grants that will forever make a difference in the Stanton Community.

- City of Stanton Completed Downtown Façade Renovation
- Construction Began on New Stanton Child Resource Center
- Lots Developed and For Sale in the New Stanton Technology Park
- Trail Extension Completed Near Anderson Park
- Kevin Blunt Memorial Basketball Court Completed
- Downtown Permanent Lighting Project Completed
- Received Thriving Community Designation Award for Housing
- Family Fun with the Outdoor Summer Concert Series, Outdoor Movie Nights, and Farmers Markets

And you made this possible! What does 2024 look like?

Along with downtown front facades complete, Main Street paved, and permanent lighting installed we continue to invest in the downtown, trail, and Stanton Child Resource Center/Stanton Technology Park.

Next Projects

- Downtown Mural
- New Downtown Sound System
- Trail Expansion to Viking Lake State Park
- Outdoor Beautification at Stanton Child Resource Center New Building

Thank you for your continuous generosity to the Stanton Community and the Stanton Community Foundation!

Sincerely,

Jenna Ramsey, Justin Miller, Mickey Anderson, Kevin Cabbage, Sheila Mainquist, Leland Lantz, and Jeff Magneson
